

Top Ten Reasons to choose Trustix™ Office Server

Trustix™ Office Server

1	Promote teamwork and collaboration via file and resource sharing The Trustix™ LAN Server SE will create a secure, centralized area to store crucial data and facilitate the sharing of pooled resources such as printers and shared files
2	No more system crashes All Trustix™ products are based upon Trustix™ OS, a version of Linux with emphasis on security and server stability. Your company will reap the rewards of using Trustix™ OS as less downtime means greater productivity.
3	Online business With the Trustix™ Web Server your company can launch or consolidate its internet presence with Web Server SE- the most reliable and stable web server available.
4	Secure your future The optional firewall will prevent malicious attacks or theft of your data by blocking all access to your network apart from those who you allow. Additionally, your company can enjoy secure connections to branch offices and mobile workers using the firewall's VPN capabilities- without the expense of leasing 'phone lines.
5	Take control of your mail Trustix™ Mail Server SE will ensure your mail is delivered immediately and securely. Unlimited user accounts and large volume e-mail transaction handling combined with blacklist spam filtering mean that you will never lose business over lost mail again.
6	Speed up network traffic Implementing the Trustix™ Proxy Server SE means that frequently requested documents and files (eg from the internet) are cached locally for faster access to subsequent users. This will increase the speed of network traffic, allowing your staff to be more productive and profitable.
7	Effortless setup and administration As a Turnkey solution, Trustix™ Office Server is designed to be setup and running in an unbeatable 25 minutes- and you will not need a dedicated systems administrator to oversee it in operation. Using the revolutionary Xploit configuration tool, network administration is executed in a centralized, intuitive manner- no more complicated command lines!
8	Superior Price/ Functionality ratio Regardless of the size of your business, Trustix™ Office Server beats its competitors for price and functionality at all entry points. See 'Product Comparison' for further details

9	Expands with your business Whether you have a small office with 5 or less employees or an enterprise scale organization, Trustix™ Office Server has a solution for you. If your company grows then your infrastructure can be upgraded seamlessly with Office Servers flexible and scaleable upgrade options.
10	Lower Total Cost of Ownership, Higher Return on Investment. As a fully featured and integrated total business solution, Trustix™ Office Server will improve your company's productivity at an exponential rate and reduce the cost of ownership over its operational lifetime. With a dedicated and knowledgeable worldwide support team, Trustix™ Office Server represents the perfect fusion of price and performance.
